# Placing Orders

1. Select your favourite designs and add their codes to **our order form**. Any style can be produced in any fabric, colour, or print.
2. Choose from 100+ plain-dyed recycled colours, imported from Carvico Italy and REPREEVE® USA. To add high-quality digital prints to your designs, see our **print guide** for details.
3. To request samples, complete our **sample request form** with style codes, fabric, colour, and size choices. To move directly into bulk, simply **email** or **WhatsApp** us with your selection.
4. Once received, we get back to you to discuss your options on custom branding adding your own custom branded logos across your collection.

Only after we are crystal clear on what your seeking, a swimwear specialist will set up a call back to confirm designs, fabrics, colours and branding before anything happens.

## Notes

- With payment received, we offer a complimentary mock-up of your chosen style, colour and prints. This is the perfect time to make final adjustments before we start to assemble your selected designs.
- To request any changes to our designs, such as adding more or less coverage, a fee of \$30 is charged.

**Prices shown for plain dyes and digital prints.**  
**Discounts apply for 250+, 500+ & 1,000+ pcs per style.**
