

Easy print solutions

Here we explain how to purchase ready-to-go digital prints fast & low cost

1. Go to <https://www.shutterstock.com/>
2. Select Vector & Type “Flower patter ” (for example)

3. Select the print you like

4. Send the link to us

We will then check the artwork to ensure its repeatable & suitable to print

This print enlarged

..... becomes this

Now we can simply change the colour palettes if requested free of charge
