

# Colour Blending

# Prints - Tips n' Tricks

---

A simple yet very effective way how to make almost any print come together most harmoniously with your selected plain colours.

For this example, we selected five plain colours from our stocks, blue, green, pink, yellow & orange & two Vector formatted prints.

VITA  
Longbay

VITA  
Pomme

VITA  
Lips

VITA  
Amarilis

VITA  
Orangina

A print purchased in Vector format comes in layers, allowing anybody to remove one or more colours & replace them with another.

Before Editing

Print A

Print B

Both prints were purchased for \$10 from [Shutterstock.com](https://www.shutterstock.com)

---

# Print Results

---

After Editing

Print A

Print B

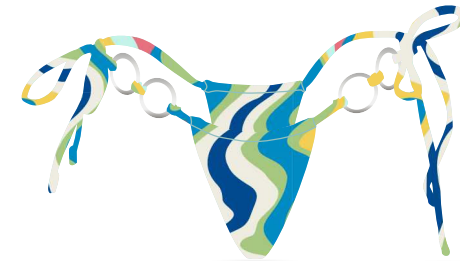

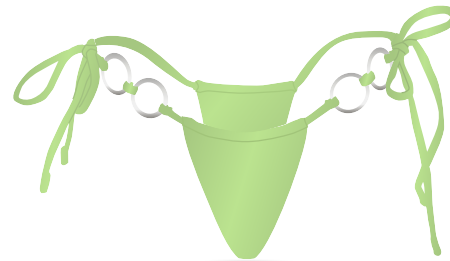

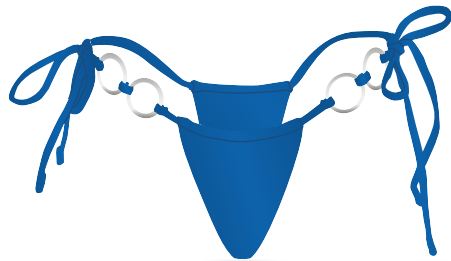

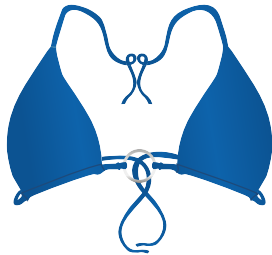

Five colours were removed, & 5 were added.

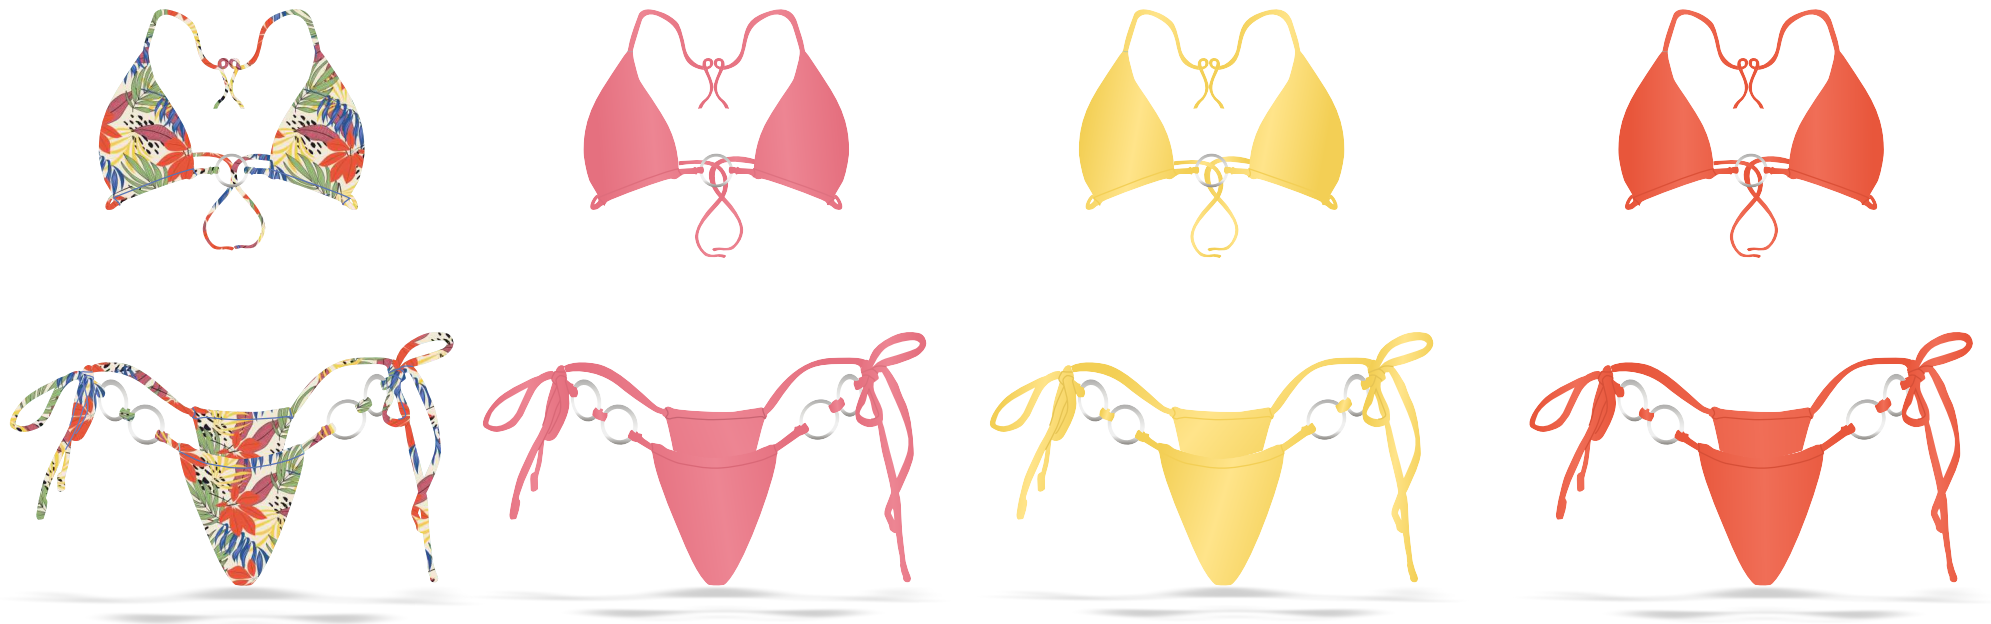

---

# Colours & Prints in Harmony

---

The result is a collection that fuses in harmony.  
Most of our top brands work this way.

On request, in most cases we can assist free of charge once you have paid for your samples.

[Send an email](#) if you need some assistance with your selection of plains & prints, its something we do for dozens of clients every month
