

READY TO ORDER COLLECTION

SPRING SUMMER 2024

Your own Sustainable Swimwear Brand in 8 weeks

Our Spring Summer 2024 collection was shot at Villa Abu-Abu in Bali Sept 2023.

Ready-To-Order Collection

Our Ready to Order collection consists of the best-selling designs of 2023 & our knowledge of what will trend in design, colour & print in 2024.

Select the styles you want to add to your collection using this form.

Make sure to add the fabric you want to produce them in, in what colour or print & size.

Select your fabrics

Notes

Any design can be produced in any fabric, colour, or print.

We charge \$30 per design if you wish to edit our designs. For instance, adding cups or wires, making a style reversible, adding more or less coverage, etc.

Art Work

To make our designs uniquely yours, we heatpress your brand logo, washing instructions, and sizing guide into the back of each product.

Your heatpress logo and layout must be drawn in vector format in EPS, PDF, CDR, or JPEG 300 dpi, repeatable, and scalable. Contact us if you find this complex; our graphic design team will gladly assist you.

MOQ

Our minimum quantity per bulk order is 300 pieces (for example, 150 bikini sets), 30 pieces per style, and three pieces per size, colour, and print.

The MOQ remains the same if you want to match our designs with yours.

The MOQ for mixing and matching Swimwear and activewear is 500 pieces.

We pack orders in layers according to code colour and size so they are ready for sale as soon as they arrive at your doorstep.

Note

Mixing Fabrics & Colours

We can only produce designs in max two fabrics or up to three colours. For example, a swimwear one-piece produced using one fabric for the lining & another for the outer in a combination of three colours.

Check out our [2024 Swimwear Guide](#) for complete information on how to get started, our minimum order quantities, timelines, fabrics, colours, prints, and custom branding.
