

SWIMWEAR
AUTUMN WINTER 2024

INTRODUCTION

Our ready designs are priced using two recycled, imported, sustainable fabrics. Both offer a super soft hand feel and great body-sculpting properties. We priced plain colours using Italian Carvico® Vita produced with ECONYL recycled yarn, and for custom prints, American REPREVE Hawaii, a soft, body-enhancing fabric produced from post-consumer nylon waste, provides outstanding colour saturation and body-enhancing properties in either matt or shiny fabric.

Both fabrics offer UPF 50+ ultraviolet and chlorine protection and have a 4-way stretch, fitting the body like a second skin.

In addition, you may choose to use Italian Carvico® Sumatra, which has a silky hand feel similar to charmeuse, and Italian Carvico® Pantelleria, which is ideal for creating elegant body shapes with a luxurious hand feel similar to velvet. Finally, we offer an incredibly soft and slinky 100% recycled lurex with a superb metallic shimmer similar in hand-feel to lingerie fabric.

MOQ

Our minimum order is 300 pieces or 150 sets across the entire collection. For example, 150 bikini sets, 30 pieces per design and three pieces per size, colour, and print using ready designs or a mix of your own custom shapes.

Our MOQ remains the same if you want to add some of your own custom designs to some of ours.

Whatever works for you creating your own exclusive sustainable eco friendly ethical swimwear brand, works for us.

PLACING ORDERS

You may skip sampling altogether, saving time and money, and proceed directly to your bulk PO. As the designs you order will be identical to those you see in our catalogue, produced in the fabrics and colours you selected, there's little need for samples. However, if you still would like to see some samples, fill in a [sample request form](#).

To move direct to bulk, fill in a [bulk order form](#).

If filling out forms is not your thing, send your requests for review in any format you feel comfortable with, such as Excel or Word [as an email](#).

Once received, we'll contact you to confirm or clarify your orders or requests & discuss options & costs.

CUSTOMIZING OUR DESIGNS

Upon receipt of your bulk PO, we heat press your custom-branded logo to the inside back of each article. We can also add your branded logo to hygiene liners, packaging, metal bikini fasteners, etc.

We require all artwork in Vector format in EPS, PDF, CDR, JPEG format, high resolution 300 dpi, and scale. If you require assistance, our graphics team is available to assist, in most cases, free of charge.

You may also edit our designs for a small fee.

Prices on request.
